## INSPIRING BLACK & ASIAN LEADERS PROGRAMME

**TONY SIMPSON**  
Partner, Savannah Group

“At [Savannah Group](#) we are passionate about promoting diversity in leadership, which is why I am so pleased that Windsor Leadership is launching this new programme to support Black and Asian Leaders, as they reflect and build upon their strengths and challenges as leaders. We are also delighted to be able to offer bursary funding, so that more people can benefit from taking part in this ground-breaking programme.”

**TAN IKRAM**  
Deputy Senior District Judge (Chief Magistrate)

“This programme will be instrumental in addressing the need to support more Black and Asian leaders in reaching senior executive and board level positions, which is why I am pleased to be contributing to the programme as a Keynote Speaker, and support participants as they develop and expand on their approach to leadership.”

## About the programme

The Inspiring Black and Asian Leaders Programme will offer senior leaders from differing sectors the opportunity to engage in a challenging, thought-provoking and inspiring environment and shape an energising vision for how and where they lead in the future.
